Vouchers and cancelled checks were compared with supporting invoices and pay-rolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Report of the Forest Fire Warden and Your District Chief

The 1964 forest fire season surpassed the record year of 1963 in both length and severity. For the second successive year, we experienced a rainfall deficiency of more than ten inches and the compounding of such drought conditions, together with the many days of strong, dry winds, characterized 1964 as one of the most hazardous years in the past half century. Although our fire season was three weeks longer than that of 1963, the number of fires showed only a slight increase and more remarkable was the fact that the area burned dropped from 2280 acres in 1963 to 900 acres in 1964. Early detection and rapid response kept many potential fire disasters from becoming reality. We all owe a debt of gratitude to the men in this community who responded and fought our fires so efficiently. Our state is now 86% wooded and its economy - both industrial and recreational - is greatly dependent on this forest resource. The responsibility for adequate fire protection of this great area - 4,350,000 acres - is everyone's responsibility and prevention is one of our most effective tools.

Prevention is good common sense.

1. Take your rubbish to the town dump. If you must burn, obtain a permit and watch your fire until it is dead out.
2. Instruct your children in fire safety. Keep matches from young children. Explain to them the dangers of lighting matches and making outdoor fires.
3. Be sure discarded smoking material and matches are out.

A major portion of our preventable fires this year are chargeable to three causes: (1) permit fires allowed to escape; (2) children playing with matches; and (3) smokers. Let's be mindful of the fact that all such fires endanger property and lives.

We wish to thank you for your very fine cooperation during the past fire season and with your continued cooperation we are confident that we can improve our fire record in 1965.

LYMAN PUBLIC LIBRARY

Librarian's Report - 1964

A gift most gratefully received, the first of the year, and sincerely appreciated by the people of Lyman, was the book, "Hoskins' Historical Sketches of Lyman, New Hampshire," from Mr. and Mrs. James Morrison of Lisbon.

Later, numerous books, many of which were for children and youths, were given by Lyman residents, namely - Mrs. Charles Jennings, Mr. and Mrs. F. H. Stillman and Mrs. Archie Birch. As our supply of children's books is inadequate, the gifts were deeply appreciated.

During the spring season Mrs. Walter M. Reynolds, newly elected trustee, assisted at the library in removing and sorting several hundred volumes. A large collection of books was sent in from friends out of state. Mrs. Reynolds procured these book gifts. Much appreciation is her due.

We also received book gifts from friends in our locality. During the year more than 400 books were gifts to the library. Friends to whom were extended notes of thanks and appreciation included; Mr. and Mrs. Alfred H. Marsh, Mrs. Harold Griffin, Mrs. George Allen and Mr. and Mrs. Alban Rogers of Swarthmore, Pa., Mr. Norman R. Jones, Greenville, Mass., The chapter of the American Association of University Women, Montclair, N.J., Franconia College Club, Franconia, Miss Julia Lang, Bath, and Mrs Rita Haley and Mrs. Grace Miner Powers of Littleton.

In June Mrs. Loretta Locke resigned from the board of library trustees. On June 25th Mrs. Clara Birch was appointed trustee to fill the vacancy until the next annual town meeting.

Over a series of years there were no hours open at the library. Beginning June 25th "opening day" the library hours were from 1 to 3 p.m. and were continued on the second and fourth Thursdays of July and August. We also had "open hours" on one afternoon in September. During the summer season a total of 198 books were loaned.

On July 23rd a contribution to the library was received from Mr. and Mrs. F. H. Stillman of Lyman and Scotch Plains, N. J., in memory of Walter Means Reynolds.

We later received similar contributions from Mr. and Mrs. Edgar P. Leach and Mr. and Mrs. Peter W. Bove of Montclair, N. J., Mr. and Mrs. Alfred H. Marsh, Swarthmore, Pa., "from Meade Terrace friends" - Mr. and Mrs. Harry W. Angevine, Jr., Mr. and Mrs. Orton Brewer, Mr. and Mrs. David F. Chapman, Mr. and Mrs. Jerome T. Cangleton, Jr., and Mr. and Mrs. Robert H. Hider of Glen Ridge, N. J., and from Western Electric Company Public Relations employees, Western Electric Co., Inc., Broadway, New York, N. Y. The money received, a total of \$127.85, was deposited in a memorial book fund.

Books, from Lisbon friends, presented in memory of Walter M. Reynolds are included in the following — "Hawaii, The Aloha State" - Bauer, from Friends in Council, "New Hampshire Nature Notes" - Seigler, from Dr. and Mrs. G. A. Clark, "Squarely Behind the Beavers" - Paine, from Clark and Goudie, "Spiked Boots" - Pike, from Mr. and Mrs. Ernest Butson, and Walt Disney's "People and Places," from Dr. and Mrs. C. F. Godfrey, "Stories of Old New Hampshire" - Piper, from Mrs. Frank Clark, Sr. These are good selections and will be of interest to the group of Junior and Senior high school students.

The N. H. State Library bookmobile service, in April 1940, was accepted by the library trustees. In 1964, our 25th year with this service, we continued with the usual five service calls, two were at the library, three at the home of the librarian.

Again the librarian would like to thank those who gave money and books, also to extend thanks and appreciation to the trustees and the selectmen for their interest and assistance in the library work.

REPORT OF SUPERINTENDENT

To the School Board and Citizens of the Lyman School District:
I herewith submit my twenty-second annual report as Superintendent of Schools.

The total enrollment in your school last year was 39. The average membership was 37.9 and the percent of attendance was 95.9.

There were 17 high school pupils who attended Lisbon High School on a tuition basis.

The present enrollment is as follows: 24 pupils in Grades 1-4, 21 pupils in Grades 5-8 and 14 pupils attending Lisbon High School.

Graduates from Lisbon High School next June are: Mary Dusik, William Rothney, Betty Tattersall and Ramona Tattersall. All of last year's graduates are well employed as a result of their high school training. We hope that this year's graduates will be equally fortunate.

Mrs. Ann Joy is completing her third year in Grades 5-8. Her work is going fine. Mrs. Joy prepares many class projects that make school interesting to the teen age group.

Mrs. Bernice Shuttleworth is in her second year in Grades 1-4. The children in this room are receiving a good basic foundation for the upper grades. The instruction is excellent.

We hope that both teachers will be with us another year.

The new water supply seems to be sufficient for our needs. As yet we have been unable to get a clear test on the spring, which is clean and well protected. We trust that it will test out all right when our next sample is submitted.

As predicted in last year's report, supervisory union changes have taken place. Lyman now becomes a part of the new Supervisory Union #35, comprised of White Mountains Regional (Carroll, Dalton, Jefferson, Lancaster, Whitefield), Bethlehem, Littleton, Easton, Franconia, Landaff, Lisbon Special, Lisbon Town, Lyman and Sugar Hill. As time progresses, the new organization is expected to provide new services and opportunities for the children.

The Union Superintendent for next year is Mr. Leslie Cummings of Littleton. Working with him will be Mr. William Grass, Jr., Superintendent of the White Mountains Regional and Mr. Harvey F. Harkness, Jr. who at the present time is a teacher consultant in the Whitefield-Lancaster schools.

The sweepstakes revenue for this year is \$1,396.29. Next year we have estimated the Sweepstakes revenue in the amount of \$2,250.00. We recommend that you use the same motion used last year as an orderly way to include the revenue in your accounts.

In submitting my final school report to the citizens of Lyman, I cannot stress too strongly the enjoyment I've found working in your district. The warmth of the people, the cooperation and help of the school board have made this position a most enjoyable part of my life.

I trust that in some small way I have contributed to the better education of your children. Thank you and the members of your school board for the privilege of working and serving with you.

Respectfully submitted,
RONALD A. PERHAM
Superintendent of Schools

Program of the WHITE MOUNTAINS REGION ASSOCIATION 1964

The White Mountains Region Association this year has published and distributed 136,000 promotional folders and cooperated with the five other Region Associations in publishing 400,000 copies of the New Hampshire Accommodations Booklet.

We received a total of 7,500 individual inquiries about the Region which were answered with a package of folders and with personal letters. Because we are closely associated with the State of New Hampshire promotional effort, we receive in our office inquiries which are generated by the State. The Region Association's address is listed on one and one-half million individual pieces of literature published by the State.

In addition to maintaining an active and effective mailing office, the Association has encouraged and promoted many important developmental projects for the region. Such projects include Northern Ventures, a venture capital corporation to assist people who have ideas for industry; Temple Monorail System at Twin Mountain; the Kilkenny project in Lancaster; Mt. Agassiz Development in Bethlehem and Big Bear Ski area at Bartlett.

Through our Industrial Council we have changed the emphasis of industrial development of the State of New Hampshire so that it includes the northern three counties and also encourages a "do it yourself" attitude with industrial development groups.

Last year we assisted in promoting an appropriation of \$65,000 for the construction of the Whitefield Regional Airport and went on record opposing the Livermore Falls Dam in the Pemigewasset Valley.

Presently we are planning to establish an active Historical Sites Committee who will encourage the development of major historical sites in the region, an asset which we have which has not been developed to its full potential.

The work of the Association is continually hampered by a lack of adequate funds. In order to do the work necessary to raise our economy, the full support of all towns in the region is needed.

Respectfully submitted,
John P. Wilson, Executive Sec.
Lancaster, New Hampshire
